

PIXY Baby

Versi Indonesia

Baby, baby, baby! I love U!
Hold on a moment, this memory
I can't express it well
Baby, baby, baby! I love U!
I'm gonna get U
I'm so crazy 4 U!!
Oh what a day!
Unexpectedly falling in love
Aah, I can't take it anymore
The beat of love can't stop
The normal daily life is now shining sparkling
Ugh, but really I'm on fire
Baby, baby, baby! I love U!
Hold on a moment, this memory
I can't express it well
Baby, baby, baby! I love U!
I'm gonna get U
I'm so crazy 4 U!!

English Version
