

# PIXY Baby

## Versi Indonesia

Baby, baby, baby! I love U!  
Hold on a moment, this memory  
I can't express it well  
Baby, baby, baby! I love U!  
I'm gonna get U  
I'm so crazy 4 U!!  
Oh what a day!  
Unexpectedly falling in love  
Aah, I can't take it anymore  
The beat of love can't stop  
The normal daily life is now shining sparkling  
Ugh, but really I'm on fire  
Baby, baby, baby! I love U!  
Hold on a moment, this memory  
I can't express it well  
Baby, baby, baby! I love U!  
I'm gonna get U  
I'm so crazy 4 U!!
